

FACULTY POSITION
Department of Pharmaceutics
Ernest Mario School of Pharmacy
Rutgers, The State University of New Jersey

The Department of Pharmaceutics in the Ernest Mario School of Pharmacy, Rutgers, The State University of New Jersey, solicits applications for a tenure-track faculty position in the area of Pharmaceutics, Pharmacokinetics, Drug Design, Industrial Pharmacy and related fields. The position is at the **ASSISTANT/ASSOCIATE/FULL PROFESSOR** rank based upon experience and qualification. Applicants should possess a Ph.D. or equivalent degree in an appropriate field and be capable of building a strong, independent research program while engaging in productive interdisciplinary research. A commitment to undergraduate and graduate education is essential.

There are significant collaborative opportunities with faculties in the Department of Pharmaceutics and other departments and programs across the campus. The Department of Pharmaceutical Science is on the Busch campus, Piscataway NJ, which is approximately an hour from New York City and Philadelphia, and is adjacent to the Robert Wood Johnson Medical School, the Center for Advanced Biotechnology and Medicine, the Cancer Institute of New Jersey, School of Engineering and New Jersey Center for Biomaterials. There are more than 200 active research groups on our campus, and many of the world's major pharmaceutical companies are nearby.

Applicants should submit a cover letter indicating their area of interest and desired appointment rank, complete curriculum vitae, statement of research expertise and contact information for three professional references to:
