

Rutgers FAMILY SCIENCE TRAINING REGISTRATION FORM

At Rutgers New Brunswick from 8:30 a.m. to 3:00 p.m. on:

- October 21, 22, 27, 28, 2008
- January 13, 14, 26,, 27, 2009
- April 23, 24, 27, 28, 2009

Four days of **Rutgers FAMILY SCIENCE** training prepares educators to establish and conduct **FAMILY SCIENCE** classes at their schools. **Rutgers FAMILY SCIENCE** training includes materials and hands-on activities for teachers to use in helping parents and their children discover that scientific investigation is fun, exciting and non-threatening.

Rutgers FAMILY SCIENCE training provides 24 hours of professional development. The Center for Family Involvement in Schools (NJDOE Provider #1660) and the Rutgers Center for Mathematics, Science, and Computer Education (NJDOE Provider #2), which sponsor the training workshops, are registered as professional development providers with the New Jersey Department of Education.

Rutgers FAMILY SCIENCE training will include:

- ✓ Hands-on science activities for use with parents and their children.
 - ✓ Career activities that demonstrate the importance of science to children's futures.
 - ✓ Information on how to set up **Rutgers FAMILY SCIENCE** classes.
 - ✓ One copy of the **Rutgers FAMILY SCIENCE** book and other materials necessary to conduct **Rutgers FAMILY SCIENCE** classes. Materials are also available in Spanish at an extra charge.
 - ✓ Breakfast and lunch each day.
- **FEE: \$1,650 per team of two teachers.**

NO REFUNDS IF YOU CANCEL TEN BUSINESS DAYS OR LESS PRIOR TO TRAINING DATE.

Make check or purchase order payable to: **Rutgers, The State University** and mail or fax this application to:

The **Rutgers FAMILY SCIENCE** program meets equity and/or parental involvement requirements for Title I, Title II, Title VII, the New Jersey Statewide Systemic Initiative, Goals 2000 and Eisenhower funding.

Rutgers FAMILY SCIENCE is a professional development activity endorsed by both the NJEA Professional Development Institute and the New Jersey Statewide Systemic Initiative and reinforces both the National as well as the New Jersey State Core Curriculum Content Standards in science.

*We strongly recommend that Rutgers Family Science Programs be administered by teams of two. Single registrations will be accepted on the basis of replacing team members in existing programs or completing teams when two cannot attend the same session.
