USE YOUR DOUGLASS DOLLARS FOR PRIZES

Wednesday, December 11, 2002

7-9 Trays A, Douglass College Center

End of the semester celebration for first year and transfer students

Directions:

To bid on any of the following prizes:

1. Visit the prize table to learn about all the prizes.
2. Obtain an envelope at the "cash" table. You can also exchange your DD\$ for smaller denominations you might need for bidding. On the envelope, write your name, the item you are bidding on, and the amount of the bid. Put your DD\$ in the envelope and place the envelope in the "bid box" at the cash table.
3. At 8:30 bids will be reviewed and prizes awarded to the highest bid. If there are any ties for the highest bid, that prize will be eligible for re-bidding. Envelopes with DD\$ for non-winners of all prizes will be returned to the bidders. Ten minutes will be allotted for students to place a bid on the prizes for which there was a tie. This process will continue until there is a winner. Once a bid has been determined to be the highest for each prize, all prizes winners will be announced.
4. Group bids are acceptable. For example, a group may want to pool their DD\$ to bid on the pizza party. To do this, they would determine their bid, combine their DD\$, complete the information on the bidding envelope and submit the bid.
5. Bidders must be present to win their prizes.
6. A bidder is eligible to win no more than two items.
7. Winners of prizes are not eligible to win any of the lottery prizes.
