<u>Activity</u>	<u>Year(s)</u>	<u>Office(s) Held</u>

ESSAY: On a separate piece of paper, please respond to two (2) of the issues presented in the scenario described. Be sure to put your name on the paper and attach to your application. Responses should be typed.

Scenario: You are responsible for designing a special interest hall for undergraduate women in mathematics, science, and engineering.

- Define its purpose, and its role in serving the needs of the different student populations (first-year, juniors, etc.).
- Describe how the community functions.
- Develop a philosophical statement for why graduate students should be involved in this special interest hall.
- Outline goals and expected outcomes for the role(s) of the graduate students.
- Describe what **your role** would be if you were to serve as a **graduate student/mentor** in this residence hall.

Please provide the names and numbers of the two individuals who are writing letters of recommendation for you. (Note: If you are a current Rutgers or UMDNJ graduate student, one letter of recommendation must be from a member of your department.)
