

Douglass Project for Rutgers Women in Math, Science & Engineering

Project SUPER

~Application for Fall 2009~

Project SUPER (Science for Undergraduates: A Program for Excellence in Research) is an enrichment program offered by the Douglass Project for Rutgers Women in Math, Science and Engineering that provides programming and opportunities for undergraduate women pursuing the sciences. Project SUPER offers students

- ❖ a summer orientation designed to introduce students to the options and opportunities for studying science at Rutgers University
- ❖ peer and faculty mentoring opportunities
- ❖ an undergraduate credit-bearing-course, *Introduction to Scientific Research*
- ❖ programs and workshops designed to help students find success in the sciences
- ❖ undergraduate research experiences in the sciences, math, engineering and technology

The Summer Orientation will be held Sunday evening, July 5th through Tuesday, July 7th – Participation is strongly encouraged! Cost for participation is \$100 – if you require financial assistance, please contact our office.

Name _____
Last First

Year of Birth _____

Street Address _____

City _____ State _____ Zip Code _____

Campus PO Address _____ RU ID _____

Telephone number where you can be reached _____
