

BIOGRAPHY

UNITED STATES AIR FORCE

Captain Brandon M. Ueki is Assistant Professor of Aerospace Studies of AFROTC Detachment 485 at Rutgers University, New Brunswick, NJ. He is responsible for developing and commissioning quality leaders for the Air Force through a college-level officer training program. Captain Ueki also serves as the Unit Admissions Officer for the detachment

Captain Ueki was born and raised in Portland, Oregon. He entered the USAF after being commissioned through Reserve Officer Training Corps Detachment 355 at Boston University in 2005. He has served four years in Air Force Material Command (AFMC). For his first three years with AFMC, he was an aircraft developmental engineer. He spent his last year with AFMC as the Executive Officer to the A-10 System Program Office Commander.

His military decorations include the Air Force Commendation Medal, the National Defense Service Medal, and the Global War on Terrorism Service Medal.
