

# WANTED

All the wild species you can discover  
in your everyday life.

## Join the Rutgers' 2015 PERSONAL BIOBLITZ

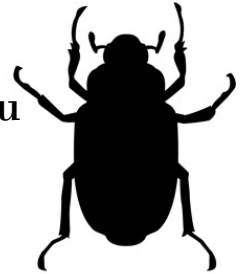

**When?** 76 days, 1 March to 15 May 2015, 24/7, anywhere.

**How?** See, listen, discover, learn, identify, list, upload.

**Why?** Learn more about what lives right around you - birds, plants, microbes, algae, fungi, insects, mollusks, mammals...

**Who?** Anybody associated with Rutgers University.

**What?** Any wild species anywhere in the world that you personally experience (special rules apply, see website).

In 2014 we saw over 3400 species together,  
this year, can we discover more?

Special awards for undergraduates and graduate students.  
There will be fieldtrips, help with identification, fun discoveries,  
and a giant online website of what we discover.
