DIRECTIONS: put a check mark for every land-use indicator observed at each point, either side of trail

DEFINITIONS:

STRUCTURES – old foundations, stone walls, buildings, shelters, other human structures

ROADS – point on a paved or unpaved road

YOUNG FOREST – mostly very small trees, cedars and/or ‘wolf’ trees may be present

OPEN FIELD - no trees present near the point.

RIGHT of WAY – gas pipeline, electric powerline, etc.
