Directions for examination:

1. Before you begin, please make sure that this examination has been duplicated and collated correctly. There should be 33 multiple choice questions.

2. Fill in the information at the top of this cover page (name, student number, and recitation section number). If you don't know your recitation number, refer to the table above. Please use the recitation number you are registered for!

3. Now, write your name, recitation section, and student number on the Scantron sheet.

4. Answer the multiple choice questions on the Scantron sheet. USE A PENCIL!

5. **At the end of the examination, please give (1) this examination, (2) your 3” by 5” cheat sheet, and (3) the Scantron sheet to your teaching assistant.** Please do not leave early, it will disturb other students.

6. If you have a question, raise your hand and we will come to talk to you.

7. You may and should write on the exam!
